“Baby Mason I am sorry that I didn't make it to see you. I was just nervous about given what going around. Which we all have excuses and I will have to live with mine. I have loved you since the moment I heard you was on your way and before we knew you was sick. You are one special little Angle that will never leave my heart. Even though you was here for a short while you severed your purpose. You made the people around smile each and everyday. Even people that has no idea who you were. Now its time you give God the same happiness you gave us. You are healthy and now u can run up and down the streets of glory. RIP My sweet boy. And one day I will meet you. Love you.
