“ I worked w/ Melvin for several years at the Kingston Fossil Plant and have many good memories of him. I just found out about his passing today. He was a good man and always talked about his family and interests, but also asked others about what was important to them. In the words of our former co-worker and friend, Whiz Henry, "I sure am gonna miss Ol' Bubbles."

*With sincerest condolences,

“ We are so very sorry for your loss. Melvin was always so kind and gentle. We have very fond memories of the "Boy Scout" years and will always remember him as well as your mother for all the hard work they both did for the troop. Due to this current virus we stay close to home so know you are in our hearts and will keep you in our prayers.

*Blessings and love,
