*If You Could See Me Now*  
If you could see me now, you wouldn't shed a tear  
Though you may not understand why I'm no longer here  
Remember my eyes, that's the real me  
I've said many good-byes, oh, if you could only see  
The smile on Father's face, I've touched my Sonnet's hand  
The angels all agreed as I entered the Promised Land  
Beyond the gates of pearl, I walk on golden streets  
I've touched the words of Jesus, slipped my feet in the crystal sea  
The Beauty is beyond words, nothing can compare  
I've seen some great messengers, someday I will meet you there  
Alone Jesus on the your people, His word will show you the way  
So please, don't cry "My will meet again someday"

“ Mike was a very good friend. He was an all around good person. I have had the pleasure of being Mike,s neighbor for 21 yrs. Mike was best mechanic I have ever known,especially on race cars. I have went to Mike for advice on car troubles so many times, and he always helped me out. He wouldn,t just tell me what was wrong with it,he made sure to take the time to show me how to figure the problem out and how to fix it,because that's just the type of person he was. I am really going to miss him.I am glad to know that Mike knew GOD,and had excepted him as his savior.Mike was baptized this past December. Rest in peace my friend
