“Michelle was the only one that would help us when they tried to take our animals...she let us keep 4 of them at her house....she had a heart of gold and was a true friend...she was not a phoney in any way shape or form...she was a real person and that is something my wife and i appreciated...we will miss her...she was a good friend to our dog rescue....when everyone believed all the bad new coverage of our rescue she knew the truth as she knew us personally.....and loyalty like that is hard to find...she was a true friend...
