“ Long Family,  
I just learned of Mikes passing. Mike and i attended TMI together where we developed a very nice friendship. I had lost touch with Mike over the years, but after reading all the nice comments i felt like i had just run into him. Sounds that he was a great man as he was a great young man when i knew him. My thoughts and prayers are with your family

“ Although I have not seen Mike in several years - who could ever forget Mike Long? - A very special person - I do know his life was very happy with his wife and children -it hurts my heart that Michael is gone -although knowing him made this a better place, I know he is now in an even better place,as we are promised. A husband to be proud of - his children can say with pride that Mike Long is their Daddy. My deepest condolences to all Mike's family and friends. There will never be another Mike.....We all love you Mike.

“ Mike was nicknamed "joy boy" in Mrs. Gilbert's third grade class at Signal Mtn. Grammar School. The first time I rode a horse was at the family place on Anderson Pike, when Mike's mom hollered at him, "No faster than a trot, Mike!" I think when we got out of sight, he broke into a gallop.##imported-begin##David Galloway##imported-end##

“ *Phyllis, Matt, Beth and families,*  
*We were so saddened to hear of your loss. Everyone's loss, really...considering how all that knew him will miss his smile, his laugh, his fun-loving ways. I hadn't seen Mike in quite a while, but I will miss him, nonetheless. There are people around us who we just enjoy seeing... who make us smile just by wondering what they will say to crack us up that day...who were a pleasure to have known. Mike was definitely one of those. From the crowd at visitation, many, many people would agree. It's too bad that life is such that we often don't stop to let that person know of the joy they give. Maybe, in the back of our mind, remembering Mike will remind us to do just that. May your memories be precious, your souls be comforted, and your lives continually blessed by God, from whom all blessings flow. With sympathy,*

“ Dear extended Long family,  
I was so very shocked to receive Mickey's notice that Mike has died. Memories of him are of a bright, cheerful little boy playing under the shady hemlock trees at the Little Brown Church and Mabbit Springs, or riding the pony in the sunshine at Mrs. McCoy's and the other Summertown haunts. It is wonderful to know that he was able to spend his life out-of-doors for the most part - caring for all sorts of flora and fauna.

Other memories of Mike are as a little toe headed, freckled faced Confederate "soldier" perched on a cannon at the Cotton Ball when he was about 4 years old. Then through the years how he sang in the choir at the Chapel with his brothers and daddy. We all loved to see the robust Long men shoulder to shoulder with their cousins all facing the congregation and belting out "Oh, Come, come, come, come, come to the Church in the Wildwood!" A long time family tradition that can only be repeated - now that Bob, Robin and Mike are gone - by all the younger men who remain in the extended family. We look forward to hearing them sing again at the Little Brown Church. Please return soon. We miss you.

Best of love to all of you, Karen###imported-begin###Karen Paul Stone###imported-end###

Words can't help, time just seems endless. I first met Mike when he bought our old David Brown tractor and Matt was a tiny boy and sooo excited. Mike was and will be the absolute picture of a happy man. And I have always believed that is mostly due to you, Phyllis! You are fabulous, and kind, and sincere, and NEVER alone. “ To Michael's immediate family, and of course, to cousins Linda and Sim, I am so very sorry to hear about Michael's passing. Although we "northern cousins" were never the best at keeping in touch, I have very fond memories of summers with Michael and the "Long crew" at Longholme and other family gathering spots (Little Brown Church, Aunt Nelsie's cottage, Fairyland Club, Signal Mtn cabin, etc.). In any event, Michael will be sorely missed, and our thoughts and prayers are with you all during this difficult time.

Well every time Mike and I saw each other that's what happened and every time we talked it ended with I love you and we did love each other. The best thing that ever happened to us was finding our Lord and Savior Jesus and turning our lives over to Him.
