“ Mamaw, not a day goes by that I don't think of you. I have so many fond memories of you and papaw to carry me through my days, but still nothing seems right without the both of you here. So many times, I have reached for the phone to call you and see how you are feeling before realizing you aren't there. The kids talk of you often and miss you so very much. I can't wait until the day that I get to see you both again so alive and well. Until then, I love you more than you will ever know!!##imported-begin##Misty (Ray) McClain##imported-end##

“ I am so sorry to hear about your mother. She was such a good lady. I can remember when we all were young and hanging out with each other how she always made me feel like a part of your family. Please know how much she loved each and everyone of you and always remember all the good things that happened in your lives with her. I know I remember alot of good times with you all. Love and Saddness,
