“ I and very sorry to hear of Mrs. Wrights death. My husband and I send our condolences. My husband helped mr. wright start the first firehall here on dayton mountain. I got to know them both when i married and we became very good friends with them There was none and sweeter than they were. we would help them with the flowers in the green house taking them out and then later putting them back in. I will never forget them as long as I live. she gave me different flowers to take home but they never seem to do as well as when she had them. we loved them a lot and will miss the very much and always. ##imported-begin## Edward and Linda Burchard ##imported-end##
