“ Nancy and I were close for many many yrs.. over 40 yr... we were like sisters, I haven't seen her since she moved to Tenn. but we talked almost at least once a wk sometimes more often, If I hadn't heard from her or couldn't get her on the phone. I called her sister in law to see if things were ok.. Nancy lived over my mother in my mothers house for many yrs, she and her boys called my mother their Mom maw. If she got out and in some kind of mess, she always called me to help, and I always did.. I will miss her terribly.. my heart is broken as so is many others... I loved her and she knew it.. and she loved me..I know she is happy now, she was welcomed into heaven by my brother, mother and our good friend Shirley, along with her dad and brother and others... WHAT A PARTY THEY MUST BE HAVING!!!

“ I met Nancy a few times and she always hugged me and asked how we were and asked how the kids (Gina and Teddy and the kids) were and ask when they were coming in before they moved back. Such a sweet person. God be with the family.

I have known Nancy since we were kids at Graysville COG. I saw her a couple of weeks ago and we had such a good conversation. She was a wonderful person. Always the same. She will be missed.
