“ *I must say my great grandmother was the best woman i know. She was always there for me when ever i needed her. She raised me an she was the only mother figure i had for a long time. No matter what i done she never turned her back on me an she always welcomed me with open arms. 17 years doesnt feel like enough time to spend with her, i wish i could have had 17 more. The only thing that helps ease the pain of her being gone is the fact that i know shes up in heaven smiling down on me right now. I love my granny very much an i cant wait to see her again some day. I love you very much granny an i will never ever forget you<3
