“ I can't stop thinking about you. I know it's weird, but I feel like this is a way to sort of talk to you. I know you are in my heart and with me everyday, everywhere I go, but I miss you more than words could ever explain. I took advantage of you being there. You're my angel now, and I am so thankful for that. You know times are hard right now, just watch over me Mammaw. Miss you more and more everyday. XO.##imported-begin##--##imported-end##
