“ *Nora was a great person that I got to know dearly these last years. I never really got to know her that well, but to me she was a great, Great-Grandmother. She was always smiling when I came to see her ,although most of the time she didn't remember me. She will be missed dearly.*

“ I was lucky enough to be able to tend to Nora while working at Rhea Nursing Home. She surely was a blessing for me. I would go in her room to see if she would need anything, she would be laying in bed with a book reading with the T.V. on. I would ask her, "Nora, would you like your T.V. off?" She would always tell me the same thing, "Aw, it's not bothering me, if it's not bothering you!" She was one of the sweetest ladies you would have ever met, never did I see her in a bad mood or having a bad day. She was always easy to please and ready to make me laugh. In the time I got to take care of Nora, I grew to love her! I thank God for that time with her. To the entire family: My prayers are with you all. I pray you will be able to take comfort in knowing Nora is one of God's Angel's now and one day we will join with her, but that time it will be for Eternity! Everytime you see a rainbow, remember Eternity is God's gift, God's promise to us and Nora is resting peacefully with Him until we get there! May God be with each of you during your time of sorrow and suffering!###imported-begin##Tabatha Coleman###imported-end##
