“ I got to know your dad just in the last few years of his life through my friendship with my dear friend (and his daughter), Nancy. He was so kind to me and made me feel like family. I feel blessed to have met him and Margie. I am grateful the funeral will be live-streamed and I will be there. Love to you all.

“ We are so sorry to hear of Jacks passing. He was a special man, always friendly and would help with anything you needed. Cherish his friendship over all these years and he will definitely be missed by all who knew him . Our town has lost another treasure. So sorry we can't come but due to covid I can't be in crowds.

“ *Jack was a long time family friend. He never failed to stop and talk when you seen him and Margie out. When my kiddos was little and saw him they would say "Theres Jack Martin". Jack never met a stranger and never failed to ask about my family when I would see him. He will surely be missed. Rest in peace Jack.*
