“ *I am so sorry for your loss....Pat was a very good man who loved his family and always willing to help anyone that he could. He was the best security ever at Rhea Medical Center and always stood by my side anytime I had to x-ray anyone from the jail. He would never let the drunks cuss at me or give me a hard time. He protected me as if I was his. He was a wonderful man and I will be praying for peace for you and your family.*

Pat was such a wonderful, kind, generous and loving man. He had
such love for his family and friends, and I am proud to say he was a
dear friend of mine. Joy I am so sorry for your loss. When he worked
as security at the hospital he would always help us anyway he could,
we would no sooner get a patient unloaded out of the Ambulance and
off the stretcher and he would be cleaning and making the stretcher
back up for us. Pat never meant a stranger and never had a harm word
for anyone. This is a great loss and I sure will miss you ole buddy.
