“ Paul and I were only married for 2-1/2 years but we were together the majority of 14 years. It was like we had a part of each other inside ourselves and so we couldn't be totally free of each other. It was a strong bond that I'm sure no one else understood. As Paul and I said many times:
Let us remember the smiling, the laughing, the sharing, the caring and the loving.##imported-begin##Marilyn Steel##imported-end##
