“ Bill and family,
You have our love and prayers in this time of sorrow. We have the assurance of meeting Pearl when Jesus comes to raise those who are sleeping in Him and take us all home to heaven. In the meantime remember we are here for you.
Love and prayers,

“ I just found out from the paper that Pearl went home to be with the Lord and I just want to say how much she meant to me and that I Loved her very much. I know how much she will be missed because if there was ever a need any one had, she was always there. She always would tell me that my Grandmother, Margaret Shadwick was her name sake. My husband and I would like the family to know that if we can help to let us know.
We Love you all

“ I'm sure sorry to hear about Aunt Pearl, I know how much she will be missed. I always remember her talking about going to heaven though so I know she is happy and peaceful. Take care of yourselves and I'll be thinking of you.
