“ To the family: I did not know this young man but I share with you the sadness of his passing. I cut out his obit from the paper and have looked at it many times over the past few days. He served our Country for much of his short life and accomplished more in this time than most accomplish in many years. I want the family to know that even a stranger - like me - share in your loss of this outstanding young man. May God comfort your all your life.

“ I met Rammon and Nikole several years ago when I worked for a daycare in Villa Rica that his daughter Adlee attended. A friendship blossomed from there. I would babysit for Rammon whenever he needed me ..free of charge! One day he picked up the kids and gave me a gift card to DSW... I said Rammon that was not necessary he smiled and said Shonda you are such a blessing for taking care of the children for me. That showed me what a kind man Rammon was. I will truly miss him and most of all I will miss seeing him at Tytans baseball games cheering him on. He was a great father to Tytan and Adlee. Anyone who knew him could see that he adored his children. I will keep the family in my prayers and all the great memories of Rammon in my heart. You will be missed!

“ Me and Rammon has so many memories I'll just pick 1. After Rammon moved off to the marines and out of our house we REALLY missed him!! Every time before he would come in to visit he would tell me it will be late before I'm able to make it to you and I would say ok and he would say and don't wait up on me bro I'd say ok and the day he was coming I would wait until about 10pm and go to the huddle house and call and tell him I'm at the huddle house they were open 24/7 I'd tell him I'll be here all night I'll see you when you get here! He's love that and when he came in we would make memories there talking all night two brothers bonding and I'd never get a wink of sleep when he came in! HE WAS OUTSTANDING AND IRREPLACEABLE!

“ I had the pleasure of meeting Ramon through his son who was in my Performing Arts club. He was so kind and stayed involved as a parent. He brought me some hanging garment closets so I could hang costumes in them. I will never forget his hard work in his sons costume as King Triton in the Little Mermaid Jr performed April 2018. I recently saw him where he stopped by my room Just to say hey and shared some happy moments and pics with me of his wonderful children. Ramon was such a kind and loving young man and his legacy will live on through his beautiful and loving children. Prayers for the family. He will be greatly missed.
