“ I would like to thank everyone for all the outpouring of prayers and support you gave to our family and are still giving. I will cherish in my heart my precious husband and honor him always for the wonderful husband, father and grandfather he was. He was a special friend to so many people and made friends so easily. Words can never express all that is in my heart so I will say most of all he loved Jesus and wanted his family to come to know Jesus like he did. He was a true prophet of God. again thank you for giving to our family. we all really appreciate and are thankful we have such a wonderful church family, neighbors and friends to comfort us along this difficult journey. we love you.
