“ Mary and family, we are so sorry to hear about Ray. He hired me in 1977 and was one of the few people that I feel influenced my life. We will always remember the sales meetings in Mississippi and the times we were invited to your home. I will always think of his smile and the good times I shared with Ray. “ One of my favorite memories: Watching Ray and Leo walking the dog on Gulf Shores Beach was a sight to see. Barb and I would sit on the balcony and laugh as they drew attraction of all the beach crowd and talk for hours to all the "doggie lovers". Then they would go for the annual oyster dinner at Youngs and keep us laughing for hours when they returned. What a great guy and a pleasure to be with on vacation even though he beat me every time at golf.

*When I emailed our kids the news Jake commented, "Sorry to hear about Uncle Ray. I think he's the nicest person I've known." One of my fondest memories was of Jake at age four sitting on Uncle Ray's lap in Aunt Dorothy's garage. It was our annual Schuldts reunion and he'd brought up a cooler of fresh shrimp for sharing. Grandpa Gil had passed away the year before and Uncle Ray "adopted" Jake for the day. He was peeling shrimp as fast as he could to keep up with Jake's voracious appetite. He truly was the nicest person we've ever known. We'll miss him, and our hearts go out to all of you. Love, Deb and family*
