“ Dear Glenda, Gina, Kevin, Shawn, and Lance; I was so very saddened to hear of your loss. The times our families spent together are among my fondest childhood memories. I remember Gene's sense of humor and spontaneous adventure. He was always making people smile. I am sure that never changed. Mostly I remember how evident it was that he adored his wife and children and how much you loved him. I can only imagine how difficult it is to have to say goodbye too soon. James 5:11 reminds us that we are not alone and that God cares about us right down to the last detail. May He carry you through this difficult time. You and your families are all in my prayers.##imported-begin##Kathy Clark Hill##imported-end##

I am deeply sadden with the news of your loss. I worked with Gene for many years at St. Louis Trimming. “ Gene(daddy)was not only my father-in-law, but my friend. I have known him longer than I have known my husband. Since I was a little girl. He watched me grow up and then marry his son. I am honored to have him as my father-in-law. When I was little girl he always called me slick. That made me feel so important and I told him so just the other day. I always wanted to tell him ,and I got to. I love you family, so much. God Bless you again and again.##imported-begin##Stacey Sholl##imported-end##

“ To The Sholl Family:
We all grew up in Eastdale and I remember Gene's smile and laughter when I'd be down at your house. My prayers are with you during this difficult time. Something my mom told me when my dad died in 1965 may help you. "The love Gene had for you all will always be here. All you have to do is think of Gene and you'll instantly see his smiling face in your mind."
This has helped me through the loss of my parents, my grandparents and friends.
Please take care,
Richard###imported-begin##Richard D Secrest###imported-end##
