“ Rick has been my buddy since the day I walked into homeplate. Him and sherry were always so welcoming when I came in to do things for work, I genuinely looked forward to going inside and see his face! This saddens me. Prayers for Mrs. Sherry & the family.

“ Rick was a good friend to me, for many years.
I will miss him everyday, he would start his motorcycle everyday and
I'd tell myself Rick is going to work. Myself not being of good health,
Rick would help me without asking. I will miss our driveway talks.
“Rest In Peace Rick”

“Ricky you were always one of my faves, you were the only person to ask me when I married your uncle way back when if I was crazy ...While we didn't work out, I always looked to you as family. I had plans to come see you and Sherry at the restaurant since I finally found where it was, and it isn't far from my house, but I didn't get the chance. Sherry I am so sorry for your loss, Amie, Matt, Henry may you all find peace and comfort during this difficult time. Much love to you all.
