“ Betty Curtin is my Aunt. I had some wonderful memories with Rosie. Hanging out back in the late 70's early 80's. Always so fun, loving, and caring. I just saw this whole looking for my Aunt. Absolutely heartbroken. I'm so sorry. Bobby Hall was my dad

“ I would like to add my condolences to your family on the recent loss of your beloved family member. There is so much sorrow when death occurs so it is only natural that we long for this promise "and God will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be any more. The former things have passed away."(Rev.21:4). Our loving Heavenly Father will give you comfort and peace as you continue coping with this tragic loss in the days ahead as you handle your grief. My sincere sympathy to all.

“ I met Rosie at US Xpress. She always had that beautiful smile. She was a very precious person. God has a beautiful angel.

“ Rosie and I met in 1980 when I started at Southwest Motor Freight. We worked side by side for years and became real good friends. She loved God, her family, friends, and Country music. She was so kind and funny. We even traveled to the beach with Claudine. We shared a lot of good times and sad times. A few things I really admired about Rosie was she could cook, she kept a spotless house and vehicle, and she handle her finances like no other. If Rosie was part of your life you were blessed. I really regret not seeing her much as the stages of our lives changed. I will keep Bob, her Mom, Step Mom, Brothers and Sister and their families in my Prayers. I am very sad about the lose of Rosie so I can imagine how her family and Bob must feel. But remember that Rosie earned her Wings and Heaven now has another beautiful Angel.

“ Lynda Smith - Rosie was a one of a kind person that you very seldom come across in your life. She had a personality and smile that could light up your day, even when your day wasn't the best. When you were around her she could have you laughing and smiling and make you forget all of life's problems. She was a caring, sharing and loving person to everyone she met in life. It was an honor to be called her friend. Although, we will miss her laughter in our lives, it is comforting to know that she has gained her wings and no longer in pain. I can imagine her now, entertaining and having all her heavenly souls laughing and feeling good. We Love you Rosie, We will never forget the positive impact you have made on my family's life. 🙏💔
