“ *My thoughts and prayers for Ruth Ann and family. I went to school with Ruth Ann from first grade in Oakwood Elem. to John Adams Jr. H.(downtown) to George Washington. She was always smiling and always made me feel important, which I never was. What great memories.*

“ *From the Owens family. We were blessed to get to know Ruth shortly after she arrived in Dayton. We were greatly blessed by her sweet spirit and such a welcoming smile. We really enjoyed having Thanksgiving with her and her family 2 years ago which included a beautiful fall hike at Pocket Wilderness. She will be missed and we are grateful to the Lord for safely taking her home. Our prayers are with your family.*

“ Butch and Margie, we are deeply sorry for this loss. Though I never knew Ruth Ann, I have prayed for her many times over the years. I know she was a dear sister to you Butch, and I know she was like a sister to you, Margie. These last few months have been particularly difficult for all of you, and what a wonderful thing it is to know that she is now with the Lord and free from her suffering. You are in our prayers.

*Lovingly, Karin and Jack*

“ I knew Ruth Ann her entire life. She was a gentle soul and I never heard her raise her voice. She spoke almost in whispers. One early memory is Ruth Ann having heart surgery in DC at, I think, Children's Hospital. She showed then that she had spunk and determination - a quiet strength. I have lost a dear cousin, but I know her mom (Aunt Ernie) and her siblings Butch, Robyn, and Janice are truly bereft. But we all rejoice that Ruth Ann has been reunited with so many other family members. RIP, sweet lady.

“ The last time I saw Ruth Ann, she was staying with my Mom. I was home visiting and asked her if she would like to take a walk with me. Her whole face lit up in agreement, and we walked the neighborhood talking about everything under the sun. Ruth Ann was one of my Mothers favorite people, therefore I grew up thinking she was incredibly special. She was warm, kind, sweet and SO funny. There will always be a special place in my heart for her.
