“ I want to extend my and my family's deepest sympathy to you and your family in this great time of the loss of your loved one. Sherry is at peace now and is not suffering anymore. You the family will have a very difficult time in the days and the years ahead but just Remember Jesus loves each and everyone of you and just know that you all will be able to see and be with Sherry up in heaven with Jesus and all of your other loved ones who have gone on before. The Greatest Hope We Have is the Hope that we have in JEsus and the new heavens and earth. Time is so short . Live it for Jesus and he will carry you through each and everyday. Just take one day at a time and know that it does get easier to deal with but you will never forget your Sherry.
