You were the most wonderful mom! I miss you dearly and cherish the memories we had. Thank you for all of the wonderful home cooked meals, barbecues, family time, and always being there when I needed support or someone to talk to. Thank you for keeping us safe when we were growing up and taking care of us. I am very sad that you are no longer with us, but know that we will see you soon. I love you so much and hope that you are free in heaven and breathing freely. You are a special angel. Love you so much, Rebecca
