“ Sherron, I just want to say that you will be sadly missed. I had the pleasure of working with you at The Heritage for many years. You ALWAYS kept us laughing. Your motto was "We may doze, but we never close." LOL I remember when my grandson Aarron was little and couldn't pronounce your name, so he called you "Sandal" and you thought that was a hoot but you always answered to it. LOL You were an angel here on earth to everyone who knew you and now you finally have your wings! Rest in peace Sherron, you absolutely deserve it! All my love, Wanda##imported-begin##Wanda Heard##imported-end##

“ On 12/24/09 I received a call from my sister saying Mom was in the hospital. The day after Xmas I went to be with her. She was in stage 4 cancer. She was a strong willed woman and fought till 3/5/10. We brought her to TN to be buried beside Dad which was her only wish. My heart aches for all of you because I KNOW the pain & loneliness everyone of you feel. I thought the world of Sherron. There was always a smile on her face when I seen her. Rick has told me countless stories of his younger times growing up with Sherron. Mine & Rick's prayers and love are with you all right now.##imported-begin##RICKEY & LINDA EVERETT##imported-end##

“ Sherron, you were the best mother-in-law that a girl could ask for but not only were you my mother-in-law you were my very best friend in some of my worst times of life. We shared a very close bond that only you and I know about. You made me laugh in the worst situations and made life so much better. Just a little short talk with you and a smile was on my face again. I will never forget your words to me "Pretty is as pretty does." Those words have ALWAYS rang true in my head. I love you and I have since the first day I met you when I was only 16 yrs old. Everytime I came to your house you would welcome me in and have always called me family. I will NEVER forget you. You are and have always been and will forever remain in my heart! We are FAMILY!##imported-begin##Tracy Elkins Dodd##imported-end##

“ Karen you and your family are in our prayers. My family has shared some great times with your mother. I will miss going by and seeing her sitting on the porch. I will especially miss having someone to talk to while I browse the Flea Market. One particular story I remember is helping her plant some flowers one spring and we came outside about 30 minutes later and her Jack Russel had rolled and dug them all up. She just laughed and we planted some more the next day. She was a delight to be around and a wonderful friend. May God be with you and your family in this sad time.##imported-begin##Lisa Hendon##imported-end##

“ To Karen and family i am writting this for my mom as you all know she can not. My mom loved Sherron with all of her heart as she does each and everyone of you guys. Sometimes mom will set and tell me things that she has been through as she was growing up, but there are so many good times that she has had with her sisters. Sherron was loved by so many people that will miss her dearly. She just said the other day she wish that things were different and that she would have never grown so far apart from her family.. In a time like this everyone of us need to stay together and stay strong for this wonderful family. All i can say is now she is home in heaven with all our lost loved ones and now they all in heaven will once again get to enjoy her wonderful smile and laugh. Im sure she is there with Aurdy singing and rejoycing at the pearly gate.. rest in peace Sherron one day we all will be in heaven wiyh you love you all.##imported-begin##Brenda knox and Family##imported-end##

“ Karen,

*My heart goes out to you at such a tragic time in your life. Your mom was such a warm, generous and fun loving woman. She will be missed by so many people. To know Sherron was to love her, as is the same with you.*

*I wanted to share on of my favorite poems with you... because I know that your mother will never leave you, she'll forever be a part of you and all of her grandkids that she loved with all of her heart!*

*Your Mother is always with you.*

*She's the whisper of the leaves as you walk down the street,  
she's the smell of certain foods you remember,  
flowers you pick and perfume that she wore,  
she's the cool hand on your brow when you're not feeling well,  
she's your breath in the air on a cold winter's day.*

*She is the sound of the rain that lulls you to sleep,  
the colors of a rainbow, she is Christmas morning.*

*Your Mother lives inside your laughter.*

*And she's crystallized in every tear drop.*

*A mother shows every emotion.....*

*Happiness, sadness, fear, jealousy, love, anger, helplessness,  
excitement, joy, sorrow.....*

*and all the while, hoping and praying you will only know the good feelings in life.*

*She's the place you came from, your first home,  
and she's the map you follow with every step you take.*

*She's your first love, your first friend, even your first enemy,  
but nothing on earth can separate you.*

*Not time, not space... not even her journey to heaven!*

*\*\*Another Angel has gotten her wings\*\**

*I love you, peace be with you!###imported-begin###Angela Ballard

“ It is just simply unbelievable. My mom and I were talking about you last night, and today I was struck with the shocking news. I love you, and will never forget just how good you were to me. You were always there when I needed you, and I will be forever thankful. You were the light at any table and life of every party. There will never be another quite like you. I thank God for two things; the privilage of having you in my life, and knowing that you are with my daddy watching over the rest of us. I love you. Always.##imported-begin##Jamie Knox##imported-end##
