Stacey you was a very good friend to me through high school. We even had a ball after school was finished, but you will always be remembered as the girl who I bought my first car from. Keep smiling that smile pretty lady. You will be missed.

Stacey and I graduated together and worked together, I am so very sorry for her family at this time. I always loved being around Stacey, we had a blast when we all worked at Ingles. Never a dull moment! Rest in peace Stacey and give your dad a huge hug from me. You will be missed.
