“ I have sat here and read the comments that each of you have wrote, and I just want to say thank you so much, you don't know how much your kind words mean to me. As all of you know Steven was Moma's baby boy. He may be gone from this world but he will always be in my heart. All I left now are the memories of him, and for those of you that knew him (before the drugs stole him away) he had a wonderful heart and very funny personality, He always made me laugh that was his thing, I could be so mad at him and he would do something goofy and make me laugh, so I could'nt stay mad at him long. I love him so much and words cant describe how much I miss him, he was my only boy and he was my youngest child. I pray to God that Steven is in a better place and I really beleive that he is. Again thank all of you for your kindness that you have showed during my time of loss and may God Bless each and everyone of you. I love You Steven amd I pray that you are with God and all your pain and suffering is gone and I hope to see you in heaven someday. “ I am so sorry for the loss of your loved one. I am the secretary at the Evensville Center where Steven attended school while he was enrolled in the G.E.D.II program. I truly thought a lot of Steven. He was special to me. Anytime I saw him outside of school over the years he would greet me with a smile and a hug. Steven even called the school to check in with me after he finished the program here. I am deeply saddened by his death. May God bless your family during this tragic time. I will always hold Steven close to my heart.##imported-begin##Tonya Gravett##imported-end##
