“ We knew Sue for many years. We were able to share memories with the American Legion and while attending Veterans Conventions in Nashville. We had a lot of good times and will never forget her and Chuck. She was always helpful working with the Veterans, and I am sure others could tell their stories of her kindness and giving to others. We will never forget the good times and know she will never be forgotten either. Rest in Peace, Sue.

“ Chuck,

Your mom was such a treasured friend to our family and so many others. We first met Sue when she started working for Ray in the Clerk & Master's office, She was a delight to be around, always having a big smile and a kind word for all. We will miss her but know she is with your dad again. Both of them were the best! Please let us know if we can help in any way. Our thoughts and prayers are with you.

*Your friends,

“ *I have known Sue as long as I could remember. We worked together when I first graduated from college and would see each other over the years. She was always so nice. She was an incredible help to me while I was taking care of my grandfather and getting him veterans benefits that he could not get since fighting in WWII. I will miss her. Prayers for the family*

“ *Hey Susie, we will miss you dearly. You were a good friend, a good listener, and gave me some good advice. You are now with your beloved Chuck. May you both rest in peace. Although we lived so far apart from each other, we had many a good laugh on the phone. I love you, God Bless , Hugs and Kisses from Becky & George*
