“ My Dearest Cousin Suzie, so very sad to hear of your passing. Some of my earliest happy memories are of times spent with you and dear Alan. We kept in touch over the years and you have always been so kind to me. I shall miss your lovely catch up letters. I know how proud you have been of your lovely family and your four legged family. I am sure they will all take comfort from knowing that they were so very lucky to have had you in their lives. Lots of love from your cousin Marina

“ Sue was my very close school friend, whom I knew since we were both ten. We both came from military families and I first met her in Bad Oeynhausen in Germany where our fathers were stationed. We then went to a forces boarding school at Plon in Schleswig Holstein for the next 3 years. We were both sad when our fathers were posted back to England in 1953, but we always kept in touch and attended reunions of the school in London and also in Germany. She was a dear loyal friend and I will miss her greatly, as will her dear family Helen, Sarah and Stephen and, I am sure, all her dogs!
