“ On behalf of the Houston Museum of Decorative Arts, may I extend our heartfelt condolences. The museum was so fortunate to have had the volunteer services of such a knowledgeable and stalwart supporter in Sybil. Her many talents were showcased in chairing of the Christmas Teas, Exhibits and of course as a Trustee for many years.

To you her family, you have our deepest sympathies.

“ For Jackie, Debbie, Nigel and Nancy and her four precious grandkids:
Sybil and David were both dear to me. They each, separately and together, showed unfailing hospitality and kindness and I will never forget all the help and friendship they generously gave me. Sybil was deeply instrumental in teaching me to love 19th century decorative arts but our relationship extended much further. I regret losing touch with her in her latter years. She lives with me in Spirit and in my heart always. God bless you, her beloved family.
