“ *WE WERE SUPPOSED TO GROW OLD TOGETHER!!!*
I miss my LOLA! No matter how many years it has been since you got your wings. There are no words to truly express my feelings. I miss EVERYTHING about you, big moments, little moments any moment with you was what I lived for. Still my soul cries out for you. My sister, my best friend, my heart, my soul. My life hasn't been and never will be the same without you. I don't just think of you once a day. My days are filled with YOU! I MISS MY LOLA!

“ *I am so very sorry for the death of this lovely lady. How very sad when our enemy death strikes one so young. We long for the time when.."God will wipe out every tear from their eyes and death will be no more.."(Rev.21:4). We have "the Father of tender mercies and the God of all comfort who comforts us in all our trials.."(2Cor.1:3,4) to rely on during the sad times ahead. Be assured of my sincere sympathy to all.*

“ I am so sad to learn of Tammy's passing. I went to school with her and Peggy. She was always so sweet and quiet. I really liked her. Though it has been many years since I last saw her, my good memories of her aren't dull. Her family and friends are in my prayers.

“ This is so unreal. I have been asking my dad about you and how you was doing. Kept asking him if you were ever going to come back up to the house. I got attached to you. It's been a little over a year since I have seen you. Wish I could have hung out with you more. You are greatly missed by all of us here. RIP TAMMY❤️ FLY HIGH BEAUTIFUL❤️😭

“ Two things that are hard to believe , One, cant believe your gone from this earth at such an early age , Second Cant believe its been well over thirty years since we were next door neighbors and everyone felt like family.....Fun times during the summer months everyone hanging out and swimming in the creek behind our homes.. time passes so quick that it still seems like it was just yesterday. Good By Tammy.
