“ I didnt knew her nor anyone related. My wife and I moved to Tennessee a few months ago and it's s a really nice place to live just like Miss Everett. What caught my attention when reading her obituary was that she had a good heart for others in working as a CNA a good chunk of her life. That type of work is giving for others so they can feel better in life. She created a good name for herself. But now Miss Everett is not with her family and friends. For anyone that was close to her, please reach out to God by praying so that you can feel his comfort and support. My condolences to everyone!
