“ I worked with Theresa for many years and she was a kind and wonderful person. We also spent some time outside the school environment going to lunch and talking on Facebook. She will be missed by many people and she touched many lives at South Cumberland Elementary School. She was so proud of her son and daughter in law and talked about them often.

I also worked with Theresa for many years. She was such a soft spoken and very kind lady. After her retirement we kept in contact via facebook. We will miss her.
