“ Tina, my beautiful and precious daughter. I can not begin to tell you how much I love and miss you this day. I miss the phone calls you made everyday. You have left a hole in my heart that will never heal and a void that can never be filled. Those last weeks I watched you suffer will never leave my mind, but the talks we had I know where you are and you will never suffer again. The love will live on through your son Corey, grandbabies, Victoria, Braydon, and Daison Kaylor, your brother Shannon, and nephew Trey. I will always cherish the times we spent together, shopping and going places. I have lost my best friend and buddy. But you will live on in my heart. Tina you may have died with your eyes closed, but your heart was open. I LOVE YOU.

Your loving mom Bessie

“ Tina, I know we weren't close but you were still my friend and you will be missed. I sit and think about the times that you and Gary would come over. We would always find something to do if it was playing darts or poker. We would show our men how it was suppose to be played lol. You are loved by many and will always be in our hearts. You left this world so young to go home to meet your maker leaving many loved ones behind. Even tho we will miss you dearly, we know you are in a better place where you are happy and all your pain is gone. I will not be able to see you again here on earth but someday in heaven we will meet again so save me a sit some where near. RIP Tina Adkins###imported-begin##Lisa Nance##imported-end##

“ Tina you were my best friend and will never be replaced, its so hard loosing you, I know its selfish of me because you were in so much pain but if i could have chose for you to stay on this earth i would have ,but I know in my heart you were ready to go be with God. Tina you were closer to me then anybody, the things we shared will always live in my heart. I think back at our times together and I was 18 when we first started hanging out, you taught me most of everything i know,for 13 years there was know seperating us,the things we did together the secret's we shared, good times and bad , will live in my heart forever, I laugh ,I cry, the things we did and kept from Gene and Gary. (shoping trips) Its so funny we were always like lucy and ethel, just trying to stay out of trouble wuth our Men. I sit here and think of how we would always do each others hair to save money,so we could go shoping and WOW we had alot of colors going on there (BUT WE STILL LOOKED GOOD)Tina the promise that we made to each other that if one dies before the other, that we better make sure our hair looked good, I held that promise to you, you were so beautiful laying there you were as pretty as an angel and yes everyone said how good you looked, Gene and I got the racing books out the other night and looking back thought of all the good times that all four of us shared Together,I will always miss that. Tina I guess only you and I knew how close we were, even in the last few years as we grew apart , we both knew that our hearts never did. I know that neither of us ever had a best friend in the last few years (lots of friends but never a best) and I will probley die the same way, You will always be my best friend, its just that I will have to wait and meet up with you in heaven before we can hang out again, But I know you will save me a seat beside you. Im not going to end this letter with rest in peace I going to end this with enjoy your journey with God and I will see you there one day!!!! I love You Tina.
