“ You always told me *"I love you like a sis"*
And I know you did because only a sis has someone's back and
best interest at heart, like you did mine.
When you made a new friend, you wasn't just a friend...you became
family. You loved and accepted everyone.
I'm LUCKY to have had the privilege of being loved like a sis by
you. I love you and will forever miss you.

“ *To My Baby Girl*

You will be sadly missed and will never be forgotten. Who could ever forget the sweetest, most kindest Angel God created, who had the greatest Love for her friends. You were always there when anybody needed you, day or night, no matter what time it was.

I miss txtng and chatting with you sometimes about the silly things we use to talk about only you me and God knows. I love you my Angel with all my heart, and you took a piece of my heart with you to Heaven and the rest will be home one day and we can rejoice in the Lord forever Love always Dorris (mom)

My thoughts and prayers are with all the family and friends. God bless you all.

Its 3:30 am and I cant sleep because my friend is gone. Its shocking to me that I wont hear your voice that was full of joy or see your pretty smile anymore. Sweet T you were dear to me and will always be loved. We used to joke all the time, and stayed in contact with each other. Im going to miss that phrase you used to say "Gooooood Lord". I know you are up in Heaven making it brighter. I know you are only gone temporarily, and your family, friends, and I will see you again. When we do, it will be forever and you will never leave again. So I am not saying goodbye I am saying see you later. Love Darrell
