“ Heavenly Father, please comfort and strengthen Tom, Scotty, Christy and the family during this difficult time. May the memories they hold in their hearts of her love, her laughter and her smile guide and direct them in the days ahead.

*Vicki was a dear friend and a woman of faith who loved The Lord and she has earned her reward. A scripture of comfort, II Corinthians 5:8 (NIV) reads, "We are confident, I say, and would prefer to be away from the body and at home with The Lord." You will see your loved one again.*

*Keeping you in our prayers.*

“ Tom, It has been several years since our paths have crossed but you and your family were not forgotten. As you go through this remember that God blesses us with the ability to remember those that we love and no one can take that away from us. The song "Precious Memories" can be a song to encourage each one of us if we think about the words. You and your family will be in my prayers. If there is anything I can do don't hesitate to get in contact with me.
