“*Mrs. Jane Stultz entered my heart through my stomach. The lady made the best strawberry shortcake ever. She helped her daughter Amy treat the faculty and staff of Sequoyah High School with so many delicious delights.*

Even though I only got to know her for a short time, I could see she was accumulating a lot of gemstones in her crown.

May God bless her family and friends with the best of memories.

May the Great Comforter give them peace.

I'm sorry the loss. We would like to come tomorrow to pay our respects at the funeral. Unfortunately we will not be able to due to all this covid stuff. I remember Jane from Mt. Vernon Baptist Church when I was a kid. Mom and dad would take us to your house for Church socials. I'm 45 so that was a long time ago lol. Prayers to your family
