“ We have so many special memories of Vivian. She had such talent in arranging flowers for the table in the sanctuary. She was a great hostess to those who were visiting and always willing to help in anyway she could. She was a very competent secretary who did everything by perfection. I'm sure there are many children who were touched by her ministry also. We're sure she heard the words, "Well done my good and faithful servant" upon entering into heaven.##imported-begin##Judy & John Feliciano##imported-end##

“ Aunt Vivian was truly special. She was wise and steadfast. She was godly and caring. She was faithful and genuine. I loved that she was fun and funny, (not always intentionally), which was wonderful! My memories overflow with her presence at not only our usual family celebrations but our day to day living. So glad she is with her Savior and that I WILL see her again!###imported-begin##Cindy Treese##imported-end##
