“ *Wanda and I attended RCHS together during our high school years. She was always a little quite and a little reserved, but a great friend when you got to know her. She was very sweet and one of the nicest girls ever. I feel honored to have known her during those years. I have been praying for her since I heard how sick she became, and will continue to pray for all the family in the days to come. Asking God to surround you with the peace and comfort that only He can bestow. God bless you all. -Pat Gravett*
