“Wayne was a funny, talented, and nice uncle. I grew up surrounded by him and he always treated me well. We shared many laughs and tears through the years. I remember how much he loved doing crafts and enjoyed painting and was very talented at making his ideas come to life. I still have several things that he made for me and I will keep them always. To my beloved Aunt Terry and cousin Scotty- You know I'm always here for you and just a phone call away. Ya'll were such a big part of my childhood and I love ya'll!
