Robin, I've not had the pleasure to meet you but I look forward to it..even though it's under these circumstances.. I loved my nephew as if he were my own, he, James, John and JoAnna were raised together as one family..Scott and my husband (also deceased)!were fishing buddies.. I haven't told Jo yet, she has terminal brain cancer(glioblastoma) so I have to choose my times to tell her things of this proportion..she's extremely sensitive..and she fought a lot of battles for her younger brothers..I will pray for you and also your daughter who I understand is also ill. We'll get thru this as family..my love to you..
