“ Woody was my uncle! I grew up with him when we lived in Michigan, he lived with us for awhile, and he always made time for us! He, like all of his brothers had a huge heart, and if you needed him he would be there.. All of the Whitfields had a great sense of humor! And he was no exception! I have heard a few stories and I know that there are many more of his generosity! We will surely miss him! Our thoughts and prayers are with Janice and the family and sweet grandchildren that he doted on!

May God Bless!

Love to everyone,

Carol
